PSE shall have the right of access to the Easement Area over and across the Property to enable PSE to exercise its rights granted in this easement.

2. Easement Area Clearing and Maintenance. PSE shall have the right, but not the obligation to cut, remove and dispose of any and all brush, trees or other vegetation in the Easement Area. 3. Restoration. Following initial installation, repair or extension of its facilities, PSE shall, to the extent reasonably practicable, restore landscaping and surfaces and portions of the Property affected by PSE's work to the condition existing immediately prior to such work, unless said work was done at the request of Owner, in which case Owner shall be responsible for such restoration. Without limiting the generality of the foregoing, the rights and obligations of the parties shall be binding upon their respective successors and assigns.
